About Bloomberg Tradebook

Bloomberg Tradebook is Bloomberg's agency broker that partners with both the buy-side and sell-side to provide high-quality liquidity, market insight, and customized solutions based on innovative technologies. Founded in 1996, Bloomberg Tradebook offers its customer base trading solutions for equities, futures, options, and foreign exchange (FX) to actively manage complex trading strategies across more than 100 global exchanges.

Bloomberg Tradebook is available on the Bloomberg Professional service. For more information, go to www.bloombergtradebook.com.

About Tradebook Research Services

In the same way that Bloomberg connects you to data of unmatched breadth and depth, Tradebook Research connects you to information that goes beyond consensus. Tradebook provides clients with numerous ways to find and implement smart trading ideas by providing direct access to independent research analysts and commission management services.
